Get to know the Committee

Please give a warm welcome to Christina, who has taken up the role of Events Convenor. A relatively new but very active member, some of you will know her from Book Group, Enak!, Events or Explorers activities. Christina says:

I'm half Danish, half Italian, grew up in France, studied in Germany and lived in Belgium and the US before moving to Malaysia with my husband. I love the great diversity of the MCG's membership and members' shared interest in exploring Malaysia's rich and multifaceted culture. Whether its contemporary art, historic sites, craft exhibitions, religious festivals or talks on local heritage and art in all its forms, Kuala Lumpur has much to offer – if you know where to look. The MCG's events planning team has been doing a stellar job in organising fascinating lectures and guided tours for many years. I'm delighted to have joined the team and look forward to meeting many of you on our tours!

Call for Contributions

Many thanks to all those who have sent in recipes or Cultural tips/questions this year. We'll be starting a new section where we ask Members to share their memories of MCG activities they've enjoyed. Please speak to the convenor at your next event, or email the address below if you're willing to share your thoughts.

We love our Members to be involved so if you have any suggestions, ideas or requests, please contact the relevant section convenor or email communications@mcgkl.org

Flavour of the month

Thanks to our member Elena Shim for this idea from the Pot Luck lunch.

This month we have a request for recipes for our December newsletter – any christmas/festive food ideas? Do you bake a special cookie? Is there a vegetarian main you can recommend as an alternative to turkey? We'd love to hear your ideas so please send to Communications by 24th November.

Send YOUR favourite recipe to [Communications](#) to be featured.
