## New Heritage Guide

Airbnb, in collaboration with Think City, has launched the Airbnb Heritage Guide to Kuala Lumpur – a digital travel companion designed to celebrate the capital's living heritage, vibrant neighbourhoods and creative communities including the emerging Warisan KL.

Developed to support Malaysia's broader vision of strengthening heritage tourism ahead of Visit Malaysia 2026, the guide spotlights Kuala Lumpur's historic and cultural landmarks, local artisans, culinary gems, and creative spaces – highlighting how stories of place and people continue to shape the city's identity as a modern cultural capital.
