KL Festival 2026

Something very exciting coming for all culture lovers in May. Heritage, dance, arts, theatre, music, walks...there's so much happening!

KL Festival is Kuala Lumpur's flagship cultural celebration, anchored in the city's UNESCO Creative City of Design designation and aligned with the Warisan KL aspiration. Rooted in creativity, cultures and communities, the festival activates Downtown Kuala Lumpur through heritage-led urban regeneration, transforming the historic areas into vibrant cultural destinations.

Held for the second time, KL Festival 2026 takes place over 26 days from 6–31 May, presenting more than 80 multidisciplinary events and activations across over 25 venues, and public spaces in the historic core. With over 700 hours of programming, the festival brings together local artists, international partners and community-based organisations. They will present diverse experiences from live performances and contemporary art installations to heritage tours, workshops and family-friendly public programmes. Importantly, most of the events are free to the public, ensuring accessibility and inclusivity for all.

Committee Role

We are inviting members to express interest in the position of **Member-at-Large**.

If you are keen to help but prefer a more general role, this is perfect for you. Our Members-at-large help with all aspects of running the MCG, as and when required. There's no fixed time commitment and no fixed days. But you get to make a really meaningful contribution and your help is invaluable.

To find out more, please contact Corinne at president@mcgkl.org or speak to any of the Committee.
