Celebrate Merdeka...actively!

Did you take part in record-making history last year in the inaugural Sky Race at Merdeka 118? Thousands of participants conquered 2,845 steps to Level 118 of the second tallest building in the world on its opening weekend.

This year, you can join the challenge. Tickets for the Saturday have already sold out, but places are available for the Sunday. You can enter individually or as part of a team of three. You don't have to be Wai Ching Soh, Malaysia's World Number One Tower Runner, who managed the ascent in an incredible 15 minutes and 37 seconds! You can take it slowly, chat with friends as you climb and enjoy the spectacular view from the top. As they say, one step at a time...Find out more [here](#). If you catch the bug, [Menara KL](#) also has a run in September in case you can't get enough!

If a vertical challenge isn't for you, there is also the Negaraku Merdeka Fun Run in August. A 5km run with a beautiful bunga raya finisher's medal; registration is open until 8th August. See [here](#) for details.

Committee Role

We are inviting members to express interest in the position of **Member-at-Large**.

If you are keen to help but prefer a more general role, this is perfect for you. Our Members-at-large help with all aspects of running the MCG, as and when required. There's no fixed time commitment and no fixed days. But you get to make a really meaningful contribution and your help is invaluable.

To find out more, please contact Corinne at president@mcgkl.org or speak to any of the Committee.
