KUALA LUMPUR DOWNTOWN MAP

Follow the trails...

Ever have friends visiting Kuala Lumpur and wonder where to take them? Or feel like you've 'been there, done that' for the town?

Let Rapid KL's trails give you a new route to follow and explore destinations you've always meant to get to, or remind you of places it's been a while since you visited. The trails are themed to celebrate different elements of dynamic downtown KL; there's everything from The Divine Trail to the Nature Trail. The trails are another fantastic collaboration between Rapid KL and Think City, following their dynamic Arts on the Move events.

There are seven trails in total, all accessible from public transport, of course. Suggested timings and walking routes are given, as well as start and finish points. Find the trails on the PULSE mobile app. Find more information [here](#).

Committee Role

We are inviting members to express interest in the position of **Member-at-Large**.

If you are keen to help but prefer a more general role, this is perfect for you. Our Members-at-large help with all aspects of running the MCG, as and when required. There's no fixed time commitment and no fixed days. But you get to make a really meaningful contribution and your help is invaluable.

To find out more, please contact Corinne at president@mcgkl.org or speak to any of the Committee.
